Star by name, star by nature? While you might find yourself bored some evenings gazing into the stars 0 that light up the sky wondering what your future holds, viewing the Wild stars in the Extra Stars slot machine 0 from Euro Games Technology are much more appealing as they bring huge wins each and every time!

When you do win 0 the symbols burst into a ball of flames just like the 'hot' range of slots from EGT like the Supreme 0 Hot slot machine and the Ultimate Hot slot machine, but will it prove to be as hot as those? The 0 Extra Stars slot machine contains many of the same symbols feature here too (it is a fruit machine after all), 0 it offers a maximum win of 20,000 coins, plus there are Wild wins with a respin for 'extra' wins, you 0 can attempt to double up wins worth less than 35x your stake, plus you could be lucky enough to trigger 0 the Jackpot Cards feature and win one of the four progressive jackpots!

Starry-Eyed Stakes

Like most online slot machines, the structure of 0 Extra Stars is simplistic as it offers a 5x3 setup with 10 paylines (though the paylines are adjustable so you 0 can also choose to play 7, 5, 3 or 1 instead, although I wouldn't recommend doing so unless your balance 0 is insufficient) and a very enticing return to player percentage of 95.78%. It won't matter how big, or small, your 0 bankroll is either as the betting options are 10, 20, 50, 100 or 200 credits each and every spin.

You'll be 0 Seeing Stars

As the title suggests, you'll be seeing lots of stars in the Extra Stars slot machine, however with nine 0 symbols in total there is a lot more on show too with 7's and lots of delicious fruit to sink 0 your teeth into.

The big yellow stars are the Wild symbols and these can land on the second, third and fourth 0 reels. Whenever these land on the reels, the whole reel is transformed into a Wild before it is locked in 0 place as the other reels are respun in the hope of landing you even more winning combinations.

The 7's are the 0 highest paying symbols with five, four or three on a payline worth 100x, 50x, and 10x your stake respectively. The 0 rest of the symbols in the Extra Stars slot machine are various types of fruit which also offer tasty wins. 0 Bananas offer the tastiest of wins with five, four or three on a line paying 50x, 20x, and 5x your 0 stake respectively, while you can also enjoy watermelons,

grapes, plums, oranges, cherries and lemons as you gaze into the stars.

Standard 0 EGT Features

Unlike other online fruit machines that boast exciting bonus features to offer something different from the norm, such as 0 the Xtra Hot slot machine from Novomatic which offers the exciting X-feature, unfortunately there are no 'extras' in the Extra 0 Stars slot machine, with only the standard EGT features of a gamble mode and the Jackpot Cards feature included.

One of 0 the most common slots features is the gamble mode so you should be well aware how it works, but I'll 0 explain it just in case you aren't. You can opt to enter gamble mode after any winning combination that is 0 worth less than 35x your stake. You'll then see a playing card flashing between red and black along with a 0 button for each choice of colour. Should the playing card stop of the button you click your winnings are doubled, 0 but choose incorrectly and your winnings disappear into the distance.

While playing the Extra Stars slot machine you'll notice four playing 0 cards with progressive values above the reels, with these representing the four jackpots that can be won via the EGT 0 Jackpot Cards feature which triggers totally at random. You will then see twelve face-down playing cards and have to pick 0 cards at random to reveal their suit. Once you have matched three suits you will win that suits jackpot – 0 with club being the smallest followed by the diamond jackpot and heart jackpot, while stars shine brightly if you scoop 0 the spade jackpot as it is the most valuable of all!

Five Star Slot?

I can't say Extra Stars is a five-star 0 slot as it really offers nothing different from the countless other online fruit machines that are available to play, however 0 if you're a fan of the basics with quick gameplay and simply want to enjoy big wins you'll be counting 0 your lucky stars that you gave it a chance!

Papa Francisco se reúne con líder Yanomami pidiendo apoyo para la protección del Amazonas

El Papa Francisco se reunió el miércoles 9 con un líder del pueblo Yanomami de Brasil, quien

solicitó el apoyo del Pontífice a los esfuerzos del Presidente Luiz Inácio Lula da Silva para revertir décadas de explotación del Amazonas y brindar una mejor protección a sus pueblos 9 Indígenas. La Tierra Indígena Yanomami, el territorio Indígena más grande de Brasil, fue devastada por miles de mineros ilegales de oro 9 durante el gobierno del expresidente Jair Bolsonaro. Derribaron árboles y envenenaron vías fluviales con mercurio.

El Papa escuchó y ofreció 9 su apoyo al nuevo gobierno de Lula para tratar de reparar los "errores" cometidos en el pasado y dijo que 9 hablaría con él sobre el tema.

"No voy a decir que van a arreglarlo, no voy a decir que van a 9 resolverlo. Destruir cosas es fácil, arreglar las cosas es difícil. Pero están tratando", dijo Kopenawa en portugués.

"Soy un hombre de nuestro 9 bosque que cuida de nuestro planeta Tierra, estoy esperando que la comunidad internacional luche, estoy esperando que la comunidad internacional 9 que tiene dinero, lo haga, detenga la destrucción de nuestro planeta Tierra que está sucediendo ahora

El bosque amazónico, que cubre 9 un área del tamaño de la India, es un importante amortiguador contra el cambio climático. Estudios han demostrado que los 9 bosques controlados por los Indígenas son los mejor preservados en la Amazonia Brasileña.

Pero Bolsonaro cumplió su promesa de no demarcar 9 ninguna fracción adicional de territorio Indígena durante su mandato y despojó a las agencias de aplicación de la ley ambiental 9 de sus poderes. La tala ilegal alcanzó un máximo de 15 años durante su gobierno.

Lula asumió el cargo y declaró 9 una emergencia de salud pública en tierras Yanomami debido a los efectos de la minería ilegal y comenzó a trabajar 9 para expulsar a los mineros. También fortaleció a las agencias ambientales para que hicieran cumplir las leyes contra la tala 9 ilegal. En enero, los datos satelitales del gobierno mostraron que la deforestación se redujo a la mitad en el primer 9 año del mandato de Lula.

Oficiales gubernamentales han dicho que las áreas con minería ilegal dentro de la Tierra Indígena Yanomami 9 han disminuido en un 85% y que la salud ha mejorado. Pero después del éxito inicial, los fiscales, las fuerzas 9 del orden y los empleados de las agencias ambientales federales dicen que los mineros ilegales están regresando.

"Una persona sola no 9 puede resolver todo. Por eso pedí apoyo", dijo Kopenawa. "Le pedí al Papa que apoye, que refuerce el trabajo. Para 9 defender al pueblo".

El primer Papa latinoamericano ha hecho de la custodia del ambiente, especialmente el Amazonas, una bandera de 9 su papado. La encíclica del Papa Francisco de 2013 "Laudato si" alabó al Amazonas y criticó el saqueo sin 9 control de la selva tropical, acusando a los intereses poderosos de convertir la Tierra en "un montón enorme de basura."

En 9 2024, el Jesuita Argentino convocó una reunión especial de obispos, o sínodo, específicamente sobre el Amazonas para comprender cómo la 9 Iglesia Católica puede ministrar mejor a sus pueblos y protegerlos.
